\$25 A MILE

Will be Paid by Akron-Canton Road

Under the Franchise Granted to Attorney Childs.

The Canton News-Democrat makes the following comment upon the franchise granted by the Stark County Commissioners Monday to Mr. Thos. L. Childs, of Akron, for the construction and operation of an electric railway between Canton and Akron:

For the past two weeks, the Commissioners, with the assistance of Prosecuting Attorney R. H. Day, have been looking into the matter to determine whether the company represented by Mr. Childs, if granted a franchise, would be able, financially, to carry out the project. Becoming satisfied in this particular, there was no hesitancy in granting the franchise.

The interests of the county have been carefully guarded. The company building the road must construct all bridges and culverts, and put the road in as good condition as it now is. It is also provided that the inner rail of the road must not be nearer than 15 feet of the center of the road, so as to interfere as little as possible with other traffic.

The franchise is for 25 years, and after the lapse of ten years, or beginning October 1, 1911, the company is to pay into the County Treasury \$25 a mile for each mile operated within the county. This will bring into the treasury about \$200 annually in addition to the regular taxes levied.

Should the road not be completed in the time specified, by October 1, 1901, by giving 30 days' notice to the treasury, the Commissioners may declare the franchise forfeited, or, at their option, the time may be extended if the delay has been unavoidable.

Cars shall be run every hour between the terminal cities, beginning at 6 o'clock in the morning and continuing until 10 o'clock at night. The cars are to be lighted and heated and good service is guaranteed.

The distance will be 19 miles from one corporation line to another, or 23 miles in all.

The cars will make the run in one hour. They could schedule them a little faster than that.

Surveys will be put to work at once, and work will be begun just as soon as the weather will permit.

Thursday being a holiday, our store will be open Wednesday evening. Ganyard & Wood.

SENT A BULLET

Crashing Into His Brain—Sensational Suicide.

Charles S. Greenlee, a blacksmith, well known throughout Portage and Summit counties, ended his life in a sensational manner Sunday night. Greenlee went to the Disciple church to accompany his wife and daughter home from services. He took a rear seat, listened to the closing of the services, met his wife and child at the door, and started home with them. He had been drinking, and some words arose over this. When they reached home Greenlee became abusive and struck his wife with an umbrella, which he carried. She left the house and called Officer Kelso, who responded and found Greenlee in his bed room lying on the bed, while on the floor at his feet lay a 38-calibre revolver. He had shot himself in the head, the charge entering the back of the head and lodging in the brain. He was dead when found. Greenlee was 47 years of age, and leaves a wife and five children. He was a brother of Officer Alva Greenlee of this city.

Mrs. T. Briddleman of Marshallville, Mich., was troubled with salt rheum for thirteen years and had tried a number of doctors without relief. After two or three applications of Banner Salve, her hands became better and in a short time she was entirely cured. J. M. Laffer, J. Lamparter & Co., A. Warner.

MURDER

Of a Cleveland Woman—Body Terribly Mutilated.

Cleveland, O., Nov. 27.—(Spl.)—The mutilated body of Mrs. Mollie Knapp was found by neighbors lying in her bedroom at midnight last night at her home in the rear of No. 39 Central viaduct. Her assailant, who escaped, is unknown, and no clue as to his identity has as yet been found. The crime was a most shocking one.

Mrs. Knapp lived alone in the house, her husband being an inmate of an insane asylum in Michigan.

The circumstances attending the murder are similar to those of the famous Winkler case.
